❖ About the company

We are Al-Musafer Lines Company for Car Rental in the Kingdom of Saudi Arabia. Al-Musafer Lines Company for Car Rentals was established in 2009. Since its launch, the company has been keen to draw up a strategy that puts the customer at its top priority in terms of caring for him, professionalism in dealing with him, meeting his needs, and ensuring the quality of service provided to the customer.

4x2 GR Sport Type

Vision

Providing a car rental service with a new concept and international standards that exceeds all expectations and leads us to the top .

the message

We seek to provide distinguished services in the field of car rental that gain customer trust and a unique experience that meets the needs of all customers.

A diverse fleet of all categories of modern cars .

Value

Excellence .the quality .Respect .Credibility . trust .
Commitment . Loyalty .Social responsibility

❖ What distinguishes us

1. Modern and diverse fleet
2. Competitive prices
3. full insurance
4. Regular maintenance service at maintenance centers authorized by agents
5. Airport transfer with driver
6. Customer service and technical support

❖ Rental service for government agencies and the private sector

If you need to rent cars on a long-term basis for your organization or company, **Al-Musafer Lines for Car Rental Company** is your appropriate destination because we provide long-term corporate rental service for all types of cars that meet all your needs at competitive monthly prices.

❖ Car rental for individuals

Al-Musafer Lines Car Rental Company is considered one of the largest and fastest growing companies in the field of rental in the Kingdom of Saudi Arabia, with a large fleet of modern and diverse cars that meet your needs, starting from small economic cars, medium and large sedans, family cars, four-wheel drive cars, and luxury cars with competitive packages and affordable prices depending on... On daily and monthly rental rates .

❖ Roadside assistance service

Al-Mosafer Airlines Company's cars receive continuous care around the clock. Since the car leaves the branch, the mobile maintenance teams stand ready to support the cars that are in customer use at any time, as the mobile workshops move to service the broken down vehicles and repair them immediately if possible, or tow the car in the event of a technical failure. Complete and replace it with another one in order to save the customer's time and facilitate his transportation

❖ Used car sales

As a first-class rental company, our work requires us to keep our fleet modern and reliable, and this means carrying out a recycling process for the cars in our fleet on average every 24 months. It also results in the new owner enjoying a modern car that has not traveled much distance and that has been kept in its original condition, all for competitive prices.

A variety of economical cars
